Dear Voters:

Dennis DiSabato
District 3
Vice Chairman

On Monday, July 22nd, from 6:00 PM to 7:00 PM at the Parkland Club House, "4325 Parkland Dr. 29579," there will be a meeting and presentation to explain the details of the Special Tax District. As there has been numerous information and disinformation, your vote, be it yay or nay, will impact your safety in many ways, including property values and finances. As a voter, you owe it to the well-being of you and your family to take an hour of your time to receive the facts and make an educated and informed decision prior to voting on July 23rd, 2024.

Gary Loftus
District 4

Be advised that this will not be a presentation to discuss alternative solutions or arguments. Again, the purpose is to assist residents and voters in understanding the facts and figures.

Tyler Servant
District 5

As Horry County's District 8 Councilman, I take great pride and concern in protecting the rights and well-being of all residents in District 8 and Horry County. I hope you will take one hour out of your day so that you may make an educated and properly informed decision.

Cam Crawford
District 6
