COUNTY RESPONSES - LEGENDS DRIVE SPECIAL TAX DISTRICT

Horry County staff personnel met with members of the Legends Drive STD Team on June 25, 2024. The purpose of this meeting was for the County to provide answers and explanations for a number of critical special tax district questions raised by the Legends Drive communities. The STD Team documented the information shared at that meeting and asked the County to confirm it's accuracy. The confirmation was received today.

A copy of the County responses will be sent to the Boards of each Homeowner Association for distribution to their communities. The responses will also be available on website LegendsDrive.com, or by requesting a copy by Email at LegendsDr2024@gmail.com.

Q&A meetings have been scheduled at various times next week at the Parkland Clubhouse, 4325 Parkland Drive. These sessions are meant to be interactive and relate to the material in general or to anyone's personal situation. Please do not attend to discuss options or alternatives, which will deny others a learning opportunity. More Q&A sessions may be scheduled in the future depending on the interest.
