STATE OF SOUTH CAROLINA)	

AN ORDINANCE TO CREATE THE SPECIAL TAX DISTRICT TO BE KNOWN AS THE "LEGENDS DRIVE SPECIAL TAX DISTRICT"; TO PROVIDE FOR THE GOVERNANCE AND OPERATION OF THE DISTRICT; TO PROVIDE FOR THE MAXIMUM MILLAGE RATE TO BE LEVIED WITHIN THE DISTRICT; AND FOR OTHER RELATED MATTERS

By the power and authority granted to the Horry County Council by the Constitution of the State of South Carolina and by the South Carolina General Assembly, the following is hereby ordained and enacted.

Section 1. Findings and determinations.

The Horry Council ("the Council") finds and determines as follows.

- (a) Section 4-9-30(5)(a)(i) of the South Carolina Code of Laws provides that, where fifteen percent of the electors in a proposed special tax district sign and present to their county council a petition requesting the creation of a special tax district, an election must be held in which a majority of the electors in that area voting in the election shall approve the creation of the special tax district, the nature of the services to be rendered and the maximum level of taxes or user service charges, or both, authorized to be levied and collected. The petition must contain a description of the proposed special tax district and the electors signature and address. If the county council finds that the petition has been signed by fifteen percent or more of the electors residing within the area of the proposed special tax district, it may certify that fact to the county's election commission. Upon receipt of a written resolution certifying that the petition meets the requirements of Section 4-9-30 ("the Act"), the county's election commission shall order an election to be held within the area of the proposed special tax district. The county's election commission must give at least thirty days' notice of the election in a newspaper of general circulation with the area of the proposed special tax district. The election is a special election and must be held, regulated, and conducted according to the provisions of Chapters 13 and 17 of Title 7 of the South Carolina Code of Laws, except as otherwise provided in Section the Act. The county's election commission shall then certify the result of the election to the county council, which must publish the result by written resolution.
- (b) In accordance with the Act's requirements, electors from the area of the proposed special tax district presented to the Council a document titled "Petition to Create A Special Tax District for Legends Drive, Horry County" ("the Petition"), which is attached to this ordinance, along with its attachments, requesting the creation of a special tax district to include an area around Legends Drive in Horry County ("the County"), containing a

description of the boundaries of the proposed district, and requesting the imposition of taxes on all taxable property located within the area of the proposed tax district in order to defray the costs of improvements to Legends Drive. The Director of the Horry County Voters Registration and Elections Commission ("the Election Commission") informed the Council by letter dated April 22, 2024, which is attached to this ordinance, that a sufficient number of electors in the area of the proposed special tax district had signed the Petition and that the Petition satisfied all of the Act's requirements. The Council passed Resolution R-56-2024, which is attached to this ordinance, on May 7, 2024, finding that the Petition had been signed by at least fifteen percent of the electors within the area of the proposed special tax district and that the Petition satisfied the Act's requirements, and directing the Election Commission to hold an election within the area of the proposed special tax district in accordance with the requirements of South Carolina law and to certify the result of that election to the Council.

- (c) The Election Commission held the required election within the area of the proposed special tax district on July 23, 2024, with the results as certified by the Election Commission being that there were 480 votes cast in favor of the creation of the special tax district and 340 cast in opposition.
- (d) On the same date on which the Council gave first reading to this ordinance, it passed a resolution publishing the results of the July 23, 2024, special election in the area of the proposed special tax district.
- (e) Section 4-9-30(5)(b) of the South Carolina Code of Laws authorizes the Council to adopt an ordinance establishing the special tax district approved by the resident electors as described above and to provide for the operation of and other matters relating to the special tax district.

Section 2. Creation of special tax district.

The Legends Drive Special Tax District ("the District") is hereby created and shall be the area of real property more fully set out on the Petition and the attachments thereto, which are attached to this ordinance and incorporated herein by reference.

Section 3. Purpose of special tax district.

The District is created for the specific purpose of funding repairs and the upgrading of a portion of the road in Horry County known as Legends Drive, as specifically identified in the Petition, so that it meets the current standards of the County. It is anticipated that the County will accept that portion of Legends Drive into the Horry County Road Maintenance System in accordance with

Article III of Chapter 16 of the Horry County Code of Ordinances prior to the commencement of the repairs and upgrades to the relevant portion of Legends Drive.

Section 4. Creation of Commission.

- (a) There is hereby created the Legends Drive Special Tax District Commission ("the District Commission"), which shall be composed of five (5) members who shall be appointed by the Council. The five (5) commissioners shall be resident property owners within the boundaries of the District.
- (b) Commissioners shall hold office for a term of four (4) years, on a staggered basis, or until their successors have been appointed and qualified. The County shall designate three (3) commissioners to serve an initial term of two (2) years and two (2) commissioners to serve an initial four (4) year term. Thereafter, all commissioners shall serve for four (4) years. Council may remove any commissioner by a majority vote of Council with or without cause. Replacement Commissioners shall be appointed and qualified by Council. Notwithstanding any other provision of this ordinance, the terms of the commissioners initially appointed shall extend to and expire on June 30 of the last year of their appointed term.
- (c) The commissioners of the District Commission shall select from among themselves, a chairman, and a secretary, which officers shall serve for a period of time of one (1) year from the date of their respective appointments and may be re-appointed by the District Commission should their terms as commissioners extend beyond the one (1) year appointment. Notwithstanding any other provision of this ordinance, the terms of the officers initially appointed shall extend to and expire on June 30 immediately following the one-year anniversary of their election as officers. In the event of death or resignation of any commissioner, the remaining commissioners shall have the right to nominate that commissioner's successor, who shall be a resident property owner of the District and shall serve the remainder of the term, subject to the approval and appointment by the Council.

- (d) All official documents shall be signed by the District Commission's chairman and attested to by the secretary.
- (e) The commissioners shall serve without pay.

Section 5. Powers and Duties of the Commission.

The District Commission shall have the following powers and duties:

- (a) To adopt the following year's budget prior to April 1 for the operation of the District, and the payment of any debt and interest due that was incurred to fund the repairs and the upgrades of the relevant portion of Legends Drive, and by which the expenditures of all funds are approved, with any increase or decrease in the levy of the District being made pursuant to majority vote of the commissioners present at the District Commission's annual meeting or in a special meeting called for that purpose;
- (b) To submit the annual budget to the County for the purpose of calculating the millage rate to be levied on the property within the District necessary to provide funds to meet budgeted expenditures. The millage levy shall be based upon the income necessary to meet the expenditures as outlined in the submitted budget and necessary to maintain reasonable reserves. The millage levied shall be subject to the limitations set forth in Section 6 of this ordinance. If the District Commission fails to provide for a budget or the County fails to provide a millage levy in any year, the County Auditor and County Treasurer shall continue the levy as was established for the previous year; and

Section 6. Maximum level of taxes.

Amounts needed to fund the annual budget for the operation of the District shall be generated only from a levy of ad valorem property taxes, not user charges. The maximum level of millage to be levied on taxable property within the District shall be 16 mills. The initial millage rate shall be 13 mills.

Section 7. Duties of the Horry County Auditor and Treasurer; administrative fee.

The County Auditor shall be authorized to levy millage and the County Treasurer shall be required to collect ad valorem taxes on all taxable property within the District in the amounts submitted by the District Commission and approved by the Council. Taxes shall be levied and collected in the same manner as all other ad valorem taxes in the County. To compensate the County for the provision of services to the District as set forth in this ordinance, the District will be assessed an annual administrative fee not to exceed 5% of the total taxes collected annually pursuant to this ordinance.

Section 8. Duty of disclosure.

Owners of property in the District shall fully disclose this ordinance and all its terms and particulars to all prospective purchasers of their property prior to conveyance of such property.

Section 9. Method of termination of tax district.

The District shall terminate or dissolve once it has raised sufficient funds to completely satisfy any costs, including debt and interest, incurred by the County's issuance of special purpose bonds and/or special purpose bond anticipation notes for the purpose of funding the repair and upgrading of the relevant portion of Legends Drive. Upon the termination or dissolution of the District, any funds belonging to the District shall be paid to such persons or entities as shall be directed by the District Commission, subject to the approval of the Council. Said methodology shall be in addition to the method of dissolution provided by Section 4-9-30(5)(e) of the South Carolina Code of Laws.

Section 10. Amendment of ordinance.

This ordinance may be amended to provide additional government functions under the Act, and each amendment must comply with the Act.

Section 11. Severability.

If any part of this ordinance shall be deemed or found to conflict with a provision of the South Carolina law, or other pre-emptive legal principle, then that part shall be deemed ineffective, but the remaining parts of this ordinance shall remain in full force and effect.

Section 12. Conflict with preceding ordinance.

If any part of this ordinance shall conflict with a provision of a preceding ordinance, then that provision shall be deemed repealed and no longer in effect.

Section 13. Effective date.

This ordinance will be effective upon its passage of third reading by the Council.
