Résumés Needed for Legends Drive STD Commission Directors

The election for a Legends Drive Special Tax District was approved yesterday. The next step is for our Team to provide up to five candidates to be part of a County commission. The commission will have administrative responsibilities related to the execution of our special tax district petition, as allowed by South Carolina Code § 4-9-30(5)(b) as follows:

(b) In the ordinance establishing the special tax district, county council shall provide for the operation of the special tax district. The special tax district may be operated as an administrative division of the county, or county council may appoint a commission consisting of three to five members and provide for their terms of office.

The Legends Drive STD Team needs résumés in order to recommend candidates to the County Council. We already have a few résumés from Parkland POA, but we are looking for more candidates from across our communities. A career background in either finance, engineering or project management would be very helpful.

Because the candidate names will need to be submitted for approval at some point during the public readings, interested residents should submit their résumés as soon as possible to:

LegendsDr2024@gmail.com, or deliver to Tom Tiscione at 4264 Congressional Drive.
